This Form must be signed, dated and returned before any camper may participate in the Eagle River Day Camp horseback riding camper elective

The horseback riding elective is available for campers entering the 4th grade and older.

All riders must be prepared for their session with hard shoes with a heel (no sneakers) and long pants (sweat pants work great!). Cavesson Corners Equitation School will provide a helmet. These items are considered mandatory equipment for the safety of the rider. The goal of the program is to introduce campers to the pleasures of working with horses and ponies. We hope that each camper will be happy and comfortable while developing an enjoyment of horses. Please keep in mind that the Eagle River camper elective is designed for the novice or intermediate level rider.
